## Acknowledgements

In the course of writing this thesis there are several people who were instrumental in helping me work toward its completion. So, to the following people, thanks is due:

To Thom Upton, chair of my thesis committee, for your many careful readings of my thesis as well as your helpful comments and suggestions. You helped make the whole experience invaluable to me. I could not have asked for a better advisor.

To the rest of my committee, Aye Nu Duerksen and Julie Belz, your comments and suggestions were helpful as well. They contributed much to my thesis.

And lastly, to friends and family who offered continual encouragement and support through the whole process.
